## 10 WAYS TO SNEAK CRAFTING INTO YOUR BUSY SCHEDULE

### Rise and Grind

Similar to working out, some days the only way to get time to yourself is to wake up early. Grab a cup of coffee and enjoy crafting before your day starts.

### Block + Out

The best way to find time to craft is to block time out on your calendar. Even if it's just a few minutes.

### Crunch

Crafting during lunch. Lunch time is your time so why not take a break from work and spend time crafting.

### Have a Plan

Having a to-do list creates order and helps you prioritize. Find a cute downloadable list online to make it more fun to fill out.

### Be a Craft Ninja

No not the blender. With busy schedules it's hard to find time to craft. Channel your inner Ninja and sneak around to get your crafting in wherever you can.

### Play Time = Craft Time

Make play time, craft time by letting your kids help. Find a similar craft for them to work on or give them small tasks to help out.

### Craft with Friends

There's nothing more fun than crafting with friends. Invite your girlfriends over for a wine and crafting night. They can help get your projects done while you catch up.

### Do What You Can

It's hard to complete a project from start to finish in one sitting. Give yourself a break and be proud of what you can do even if it's a few minutes.

### Road Show

Take your projects with you. Even if you can't physically craft, spend time ensuring you have the right supplies, designs or watch tutorials.

### Make It About Money

Money is a great motivator. Turn your hobby into a side hustle. Knowing you're making money can help ensure you find time to craft.
